Subject: Forestry/Riparian Comment letter assignments

Hey guys,

Below are the assignments for reviewing CZARA comment letters related to Forestry/Riparian. If you find that you have additional time and would like other letters to review, please let me know. Doubling-up (having two people review the same letter) would be good especially for the complex letters.

Jenny: Letters 3, 4, 7, 9, 11, 14;

Teresa: Letters 12, 13, 15, 20, 22, 23, 24, 27, 28, 30, 31, 34, 35, 42, 56, 58, 67, 70;

Erik: Letters 46, 54, 62, 63, 69, 71, 72, 75, 79,;

Peter: Letters 40, 43, 44, 45, 48, 49, 50, 52, 53, 57, 59, 61, 77,

Alan: Letters 55, 80, 82, 83, 85, 0 (the states's letter)

Below is how I categorized the letters. Please note that I have heard from at least two reviewers that my classification system over-rated some of the letters (I thought the letters were complex and they thought they were simple). Maybe I relied on the "Big is Bad" concept too much.

Simple letters: 3, 4, 7, 9, 11, 12, 13, 20, 22, 23, 24, 27, 28, 31, 34, 40, 43, 44, 45, 49, 50, 52, 53, 59, 61, 62, 63, 69, 72, 77, 79, 80, 82, 85;

Moderately complex: 14, 15, 30, 42, 46, 54, 55, 67, 83;

Complex: 48, 56, 57, 58, 70, 71, 75, 77, 0.

I will also be setting up check-in conference calls periodically just to make sure we are being consistent and to address challenging questions. Again, thanks to all of you for agreeing to be part of this review. We/i really appreciate your help.

Alan
